Historic Royal Palaces is the independent charity that looks after the Tower of London, Hampton Court Palace, the Banqueting House, Kensington Palace and Kew Palace. We help everyone explore the story of how monarchs and people have shaped society, in some of the greatest palaces ever built.

We receive no funding from the Government or the Crown, so we depend on the support of our visitors, members, donors, volunteers and sponsors.

Dear Sir,

In the time I have used Central Moves, I have found your company to provide an efficient and excellent service when assisting with the Palace's portage and accommodation moves. Your staff are professional, courteous and keen to oblige. Due also to the sensitive nature of the building, I am very pleased with the respect and care they provide to the fabric of the building.

Yours faithfully,
